**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I want more competition. The large internet companies have forced out any type of legitimate competition in the market. This anticompetative behavior of large internet companies is un-American. The FCC should be encouraging more competition in the market not making it nearly impossible for smaller internet providers to compete.
